PAINTING No.5

STONE STOVE AND HOP SCOTCH'

ONE OF THE FAVOURITE GAMES PLAYED BY GIRLS, MORE COMMONLY PLAYED IN THE PAST, IS HOP-SCOTCH. ALTHOUGH THERE ARE MANY TYPES OF HOP-SCOTCH PLAYED ALL OVER EUROPE, THE ONE ILLUSTRATED REPRESENTS THE NINE MONTHS OF PREGNANCY, AND EVEN THE SKETCH SCRAWLED ON THE GROUND WITH A PIECE OF BURNT FIREWOOD, HAS NINE SPACES, WITH THE NINTH BEING MORE ROUNDED, BULGING AT THE END. THE LOCALLY MADE STONE STOVE, 'KENUR', IS IN THE DOORWAY TO MINIMISE SMOKE INDOORS. A HOUSE SHOWS ALSO A WOODEN GATE, 'GRADA' WHICH HELPED KEEP THE DOOR OPEN AND KEEP OUT ANIMALS.
