

MALTA IN BRITISH PERIODICALS 1952 - 1973

by

Marie Schinas

The purpose of this list is to update Gužè Cassar Pullicino's, "Malta in British Periodicals 1915-1951 a select List", published in *Melita Historica*, Vol. I, no. 2, pp. 75-86. I have followed Cassar Pullicino's procedure, entries being listed in chronological date order and classed under appropriate headings. All entries are taken from the Subject Index to Periodicals, formerly The British Humanities Index and cover the years 1952-1973. An author index refers to the numbered entries of the List. All periodicals in which articles appear are listed alphabetically together with the year of first publication.
